

Career Opportunity: LEAN FACILITATOR

About Canadian Manufactures & Exporters

Manufacturing is the backbone of our province's economy and CME Manitoba helps manufacturers grow. Last year, Manitoba manufacturers sold more than \$17.4 billion in goods, contributed more than 10 per cent to the province's GDP and employed nearly 65,000 Manitobans. As Canada's oldest and largest trade and industry association; our team at CME works with manufacturers to help them grow and compete through a range of supports, including LEAN & productivity, Leadership & Executive Support, Advanced Manufacturing & Innovation, Trade & Business Development, Human Resources & Skills Development, Advocacy & Intelligence, Future Workforce, Safety and Networking.

The Opportunity

We are seeking a LEAN facilitator to join our team of dedicated and passionate LEAN practitioners who work together to engage and empower organizations to improve operational performance no matter where they are in their LEAN journey. Reporting to the LEAN Champion, the successful applicant will be the lead facilitator for at least two CME Manitoba LEAN Consortia; providing LEAN expertise and guidance to members. The role also conducts LEAN assessments, facilitates strategic planning workshops, works with other facilitators to deliver shared Kaizen programs, delivers core LEAN training sessions and compiles and shares success stories. Travel in Winnipeg and within rural Manitoba is required, while some out of province travel may be necessary at times.

Qualifications

- Minimum five years manufacturing experience, preferably with a minimum of three years LEAN implementation experience.
- LEAN Green Belt certification is preferred; while LEAN Black Belt certification is an asset
- Proven project management skills including the ability to prioritize, manage multiple tasks and meet strict deadlines; strong attention to detail as well as the ability to work with colleagues, are essential.
- Strong interpersonal skills and the ability to build relationships with all stakeholders – internal and external – are essential. Proven ability to build consensus and work effectively within a team
- A strong desire to uphold CME's standard for continuous improvement, ethics and integrity within the CME team and with all outside vendors, clients and customers.
- Valid Driver's License and passport are required
- Successful candidates may be subject to a criminal record check

Application deadline

November 30, 2018
