CME-MEC.CA

SPONSORSHIP OPPORTUNITIES

Your participation as a sponsor with CME will help us to deliver a terrific program for our members and stakeholders.

The day will include:

- The Speaker Series – an afternoon filled with industry and stakeholder speakers discuss relevant manufacturing topics such as The New Brunswick Manufacturing Outlook, Exporting in 2023 and beyond, and Manufacturing from the ground up in New Brunswick.
- Networking Reception with industry and stakeholders
- Supper with Keynote New Brunswick Premier Blaine Higgs
- Opening Remarks from Dennis Darby, President & CEO, Canadian Manufacturers & Exporters

Becoming a 2023 sponsor offers your organization the opportunity to promote your company's products and services to New Brunswick's leading firms. Sponsorship opportunities are designed to get you the best value for your marketing dollar.

MANUFACTURING DAY | NEW BRUNSWICK

The Power of Our Network

Canadian Manufacturers & Exporters (CME) is Canada's largest trade and industry association, and the voice of manufacturing and global business in Canada.

Founded in 1871, CME represents more than 2,500 leading companies nationwide, and – through various initiatives, including the establishment of the Canadian Manufacturing Coalition – touches more than 100,000 companies from coast to coast, engaged in manufacturing, international trade, and service-related industries. More than 85 per cent of our members are small and medium-sized enterprises.

CME will be hosting Manufacturing Day on March 23, 2023 in Fredericton. This event provides a tremendous opportunity to network with members of the manufacturing and export community in the New Brunswick economy, in an informal and friendly setting.

New Brunswick's economy is dependent on manufacturing and exporting as our sector is responsible for 90 percent of provincial exports and nearly 31,000 direct jobs in the province.

We would like to take this opportunity to personally invite you to this celebration that will bring together industry, government and stakeholders of manufacturing and exporting in New Brunswick.

Sponsorship Opportunities Available

CME is committed to helping you maximize your ROI. We will gladly customize partnership packages to meet your needs.
