2020 Multisector HSEP Group

OVERVIEW

Enhance your knowledge of your rights and obligations as an employer and reduce lost time, injury frequency and severity rates with CME's HSEP Groups. Our HSEP Group Specialist offers over 30 years experience in industry, with organizations of all sizes, both unionized and non-unionized, from large to small companies with extensive health, safety and claims management experience.

A founding sponsor of the WSIB HSEP Group since 2000, our HSEP Group Resource section now offers policies and procedures to support you.

WHY JOIN CME'S HEALTH SAFETY EXCELLENCE PROGRAM GROUP

- We are a founding sponsor of the WSIB Safety Group & Health Safety Excellence Program since 2000
- Our HSEP Group Resource section offers policies and procedures to provide you support
- Our Safety Specialist offers over 30 years experience in industry, with organizations of all sizes, both unionized and non-unionized, from large to small companies with extensive health, safety and claims management experience
- Enhance your knowledge of your rights and obligations as an employer
- Reduction in lost time injury frequency and severity rates

WHO CAN BENEFIT

The Multisector HSEP Group is designed for manufacturers to address the unique needs that manufacturers face in their facilities with a focus on the complexities of a smaller organization.
