

SUPPLY CHAIN LEADERS' COUNCIL for Manufacturers

NEW PROGRAM OFFERING

The Supply Chain Canada, Alberta & Saskatchewan Institutes and Canadian Manufacturers & Exporters have joined forces in British Columbia, Alberta and Saskatchewan to offer members an opportunity to further develop supply chain leaders through peer-to-peer mentoring specific to the manufacturing sector

BENEFITS OF PARTICIPATION

- Faster access to proven & actionable supply chain strategies & best practices
- Stronger & diverse networks - a critical characteristic of successful supply chain-led growth
- Out pace competition by learning from like-minded peers who are thriving despite the current environment

SUPPLY CHAIN LEADERS' COUNCIL

- Completely confidential
- Support members from all industries in Alberta & Saskatchewan
- Consist of 8-12 senior leaders from non-competing companies, who all want to see each other SUCCEED
 - Managers and/or Directors of Logistics, Demand Planning, Materials, Purchasing, and/or Inventory
 - Responsible for or strongly influence supply chain management decision making
- Are driven by experienced facilitators & want access to a diverse selection of resources from across the country

WHAT DO SESSIONS LOOK LIKE?

- Members discuss the good, bad and crazy of their past 4 weeks
- Guest speaker(s) invited to select meetings
- Facilitated coaching & development session
- Hands on learning
- When feasible, shop visits, themed tours & networking

WANT TO LEARN MORE?
