- Companies must be in good standing with the WSIB

## Health and Safety Excellence Program (HSEP)

### OVERVIEW – MAKING YOUR WORKPLACE SAFER

The Health and Safety Excellence Program is a WSIB performance-based recognition program designed to provide a clear roadmap for Ontario businesses to improve workplace health and safety.

As an approved provider of the Health and Safety Excellence Program, CME can help your organization build a health and safety program that will make all employees' lives safer and as a bonus save you money.

### WHY JOIN – THE CME ADVANTAGE

#### 1. Earn rebates and lower your premiums

- Reduce your workplace injuries and illness and be rewarded with rebates on WSIB premiums (**Over the past year, CME HSEP members have received \$1.8 million back in rebates**)

#### 2. Receive public recognition badges and awards

#### 3. Obtain support and one-on-one guidance from **CME's dedicated health and safety specialist**. As an industry veteran with over 30 years' experience, James has worked with both unionized and non-unionized companies of all sizes, and he has considerable experience with health, safety, and claims management

#### 4. Gain access to **networking opportunities** with other manufacturers, attend regular group meetings, and share best practices

#### 5. Receive exclusive access to CME Health and Safety Excellence Program **member resources**

#### 6. Improve your health and safety experience and **build a well-crafted and functional** health and safety program

#### 7. Acquire access to **exclusive discounts** including:

- Discounts on CME MadeSafe training, conferences, workshops and consulting
- 10% discount for you AND all your employees at Mark's Work Warehouse
