Economic Forecast for Newfoundland and Labrador Information Session

Tuesday, February 7, 2023: 10 – 11:30 am NST | Offered online via Zoom

Understanding what's coming down the road economically for businesses and customers can help you plan for the future of your business.

Join Manufacturing Insights and Canadian Manufacturers & Exporters' (CME) Chief Economist Alan Arcand for a 1.5-hour information session on the economic future of Newfoundland & Labrador and Canada, emphasizing the manufacturing sector.

COST: Free

SPEAKER**

ALAN ARCAND
Chief Economist,
Canadian Manufacturers
& Exporters

Alan is a member of CME's National Policy team, where he is responsible for developing and executing CME's major national research projects, conducting CME's macroeconomic analysis to support the organization across the country, leading our tax policy efforts, and is a leading voice representing the interests of the association and members with government and the public.

Before joining CME, Alan spent 19 years at The Conference Board of Canada where he held multiple roles, including the Associate Director of the Centre for Municipal Studies. Alan's background includes expertise in municipal, regional, and national economic matters including economic forecasting and analysis.
