Take Your Kid to Work Day

Links & Kit Inclusions

ChatterHigh Manufacturing Modules:

Have participants complete the CME Manufacturing module hosted through ChatterHigh called 'Careers of the Future: Advanced Manufacturing' to learn about career pathways and get points to win prizes.

<https://chatterhigh.com/en/home>

CME Manufacturing Kahoot quiz:

Get participants to compete against one another by playing the manufacturing quiz on Kahoot.

<https://create.kahoot.it/share/highschool-careers-in-manufacturing-quiz/2766862d-445a-48ae-9999-ad3c0e43160e>

Edge Factor – Rock MFG Day:

Watch real life stories of manufacturing pushing back the edge of what's possible and explore careers, STEAM and soft skills in the exciting worlds of advanced manufacturing in a series of videos about manufacturing. Choose which videos you would like to show! (10 minutes – 1 hour)

<https://edgefactor.com/rockmfgday>

Safe Work Manitoba:

Empower our future workers by providing them with questions to ask an employer when starting a new job and the young worker readiness certificate course, as well as SAFE work brochures for parents and conversation starters for SAFE work and young workers. (15 – 20).
